

Men's Retreat

September 21-22, 2018

Purity

The joy of **purity** belongs to those in Christ. Christ cleanses the soul from sin and applies the salve of His own righteousness. In a society and culture permeated with guilt-inducing sensuality and unbounded permissiveness, **purity** seems like a mirage of refreshment in this desert of promiscuity. Even among professing followers of Christ, the lies of impurity permeate lifestyles and mental habits. Many have fallen to these lies that ultimately destroy families, careers, and churches. Society itself crumbles from the weight of immoral thinking.

Through Christ there is hope! Christ delivers from the condemnation of sin and from the power of sin. Learning to apply gospel truths to the daily struggle of sin leads to overcoming sin. Men who follow Christ must learn to lead in pursuing **purity**.

The **2018 Men's Retreat** at Peniel Bible Camp will focus on the glorious opportunity Christian men have to overcome the lies of an impure world and live in the conquering power of Christ. Join us a **Pastor Kent Hobi** from Grace Church in Mentor, Ohio challenges and encourages us from God's Word concerning this crucial area of **purity**.
